TO WHOM IT MAY CONCERN

*This is to certify that Richard Brand alias 'Dan the Gambler' is employed by Island Queen Showboat Cruises in the capacity of a entertainer aboard our vessels.*

*Richard has great ability to adapt to any situation and all his performances brought favourable mention among our Asian, Japanese and local customers.*

*Richard is certainly a excellent entertainer with incredible talent who is well respected by all management and staff. I would not hesitate in recommending Richard, especially to an Establishment looking for a original professional act.*

*Yours sincerely*
