TO WHOM IT MAY CONCERN

Over the past 18 months "Dan the Gambler" has been making weekly appearances within my establishment at the Billy's Beach House Tavern/Bar.

As our clientele consists of predominantly local patrons, Dan has created himself a rather large following, along with a mixture of interstate and overseas holiday makers, his magic is well received by all.

Dan's tricks of illusion and magic teamed with the best slight of hand I have ever seen, leaves our customers spellbound and talking long after he has moved on.

His great sense of humour and timing skills play a key role in a successful act.

I admire a character such as Dan who promotes the Australians Theme with such passion.

With Dan's professional image and obvious knowledge of the hospitality industry, I have no hesitation in recommending him to any establishment. Especially one that seeks an original, stylish and professional act.

Yours faithfully,

W.H. James
Managing Director
