To Whom It May Concern:

I have utilised Dan the Magic Man for several years as a form of entertainment in the Venues I have managed.

I had found Dan to be an asset in our venue and a very professional act to have.

Dan's magic is phenomenal always leaves the guest smiling and appreciative of the skills Dan has. If magic was about smiling and the look of amazement then Dan is the man.

One of the many attributes which Dan possesses is that he is not a magician who will stand on the stage to do his act; he brings it to the people walking through the restaurant entertaining all levels of guest and gender at tables lounges or bar.

I am more than happy to offer verbal recommendation for Dan as I am sure you will not be disappointed in this very entertaining act.
