TO WHOM IT MAY CONCERN

'Dan the Gambler' is an entertainer of incredible talent. He has performed for Sanctuary Cove at numerous functions over the past 12 months.

'Dan the Gambler' portrays the character of a saloon bar cowboy who entertains the crowd with close up magic. He has an array of tricks and surprises suitable for audiences of all ages. Dan is one of the best 'close up' magicians I have ever seen.

It is not only the calibre of his performance as a magician that is entertaining but also the cowboy style of his character 'Dan the Gambler'. As an entertainer he is reliable, trustworthy and a true professional. He has the ability to read an audience quickly and adjust his show accordingly. Nothing is too much trouble and he has proved himself to be extremely adaptable in various situations.

I would have no hesitation in using 'Dan the Gambler' at any future functions at Sanctuary Cove and I would be pleased to speak on his behalf at any time, telephone (07) 5577 6021.

Yours faithfully
